Dear Screen Nova Scotia,

My name is **HERE** and I am writing to apply to the Diversity Mentorship Program. ***This is where I will tell you a bit more about myself.***

During this paragraph, you can talk about your interest in film and long-term goals in the industry itself.

I will now list my top three crew departments that I would be most interested in working in.

My first choice would be ***(which department and why).***

My second choice would be to be an intern in ***(this department and why).***

My third choice would be as ***(doing this and why).***

I would like to thank you for your time and consideration of my application.

Sincerely,
