

Screen Nova Scotia Content Creator Fund 2023 Guidelines

Screen Nova Scotia

Screen Nova Scotia (SNS) is a not-for-profit industry association and film commission. Screen Nova Scotia recognizes the support of the Province of Nova Scotia and is pleased to work in partnership with the Department of Communities, Culture, Tourism and Heritage (CCTH).

Guiding Principles

The Screen Nova Scotia Content Creator Fund (CCF) provides an opportunity to increase the impact and prosperity of Nova Scotia-owned film and television production companies. It fosters the development of emerging and underrepresented above-the-line talent, encourages Nova Scotia-owned intellectual property, and strengthens corporate sustainability. The CCF improves producers' access to market interest and other funding sources, leading to greater production value and export sales. It also nurtures interprovincial and international co-productions, and boosts the economic impact of Nova Scotia's film and television industry. The CCF harnesses the power of the creative sector to build a stronger and more prosperous future.

Program Details

1. Introduction and Key Principles

The CCF is a program that acts as a top up contribution or a repayable equity investment for qualifying Nova Scotia Productions. The CCF supports Nova Scotia creators by providing funding to eligible productions. Key principles include:

- The Production is Canadian content (6/10 points minimum);
- The Applicant and the Production are controlled by Nova Scotian(s) who have been a resident in Nova Scotia for at least the two years prior to the year of filing of the CCF application and principal photography (subject to permitted co-productions);
- The Production has been approved for Stream 1 of the Nova Scotia Film and Television Production Incentive Fund ([NSFPIF](#)) administered by the Department of Communities, Culture, Tourism and Heritage (CCTH);
- No Applicant, producer, co-producer, owner, production company (including Parent Companies of Applicants) or their Related Parties may apply to the CCF more than once per calendar year, subject to limited exceptions for Emerging Talents and Underrepresented Communities; and
- The Applicant or its owners are or will become a member of Screen Nova Scotia.
- The CCF will accept applications on a first come, first served basis, per calendar year, and will close once the CCF's budget has been committed.

SCREEN NOVA SCOTIA

- Applicants must submit an application prior to the first day of principal photography. Applicants are eligible to apply in both the calendar year prior to their first day of principal photography or in the same calendar year of their first day of principal photography.

The above summary is subject to these Guidelines, CCF business policies and the CCF funding agreement.

The CCF is intended to finance Productions that demonstrate need. As such, overfinancing is not acceptable in the Production's financial plan, therefore the financing structure of the Production must include:

- Minimum 80% of the estimated Canada Film or Video Production Tax Credit
- 100% of the available amount from the NSFPIF, and
- 100% of the estimated amount from CCF.

(The CCF may make exceptions to the above on a case by case basis, at the discretion of the CCF).

7. Payment of Funding Contribution

The Funding Contribution will be paid, subject to Applicant and Production compliance, as follows for all Productions (except Category B when seeking the writer and/or director cap increase):

SCREEN NOVA SCOTIA

- A. Drawdown 1 - 80% of the estimated CCF contribution will be paid out on the first day of principal photography if there is a CCF agreement already in place. If the agreement has not yet been fully executed, the first drawdown shall be paid out upon full execution of the CCF agreement.
- B. Drawdown 2 - An amount equal to the unpaid balance shall be payable to the Applicant upon (i) written notification from CCFH advising CCF of the approved final Eligible Nova Scotia Costs, and (ii) receipt and approval of all closing documentation and final deliverables, as outlined herein in applicable CCF business policies, and the CCF funding agreement (the “**Final Drawdown Requirements**”). CCF will adjust the 2nd Drawdown of the Funding Contribution, if necessary. All NSFPIF accounting policies shall apply.

For **Category B** Productions (*those seeking the writer and/or director cap increase*), the Funding Contribution will be paid as follows:

- A. **Drawdown 1** - 50% of the estimated CCF contribution on the first day of principal photography if there is a CCF agreement already in place. If the agreement has not yet been fully executed, the first drawdown shall be paid out upon full execution of the CCF agreement.
- B. **Drawdown 2** - 30% of the estimated CCF contribution upon delivery of all of the signed contracts for the Nova Scotia Resident Writers and/or Directors.
- C. **Drawdown 3** - An amount equal to the unpaid balance shall be payable to the Applicant upon meeting the Final Drawdown Requirements as defined above. CCF will adjust the 3rd drawdown of the funding Contribution, if necessary. All NSFPIF accounting policies shall apply.

Contribution Structure Options

The Applicant may choose to receive the Contribution via a repayable equity investment which results in Screen Nova Scotia acquiring an undivided copyright ownership interest in all versions of the Production.

Applicants who choose to receive repayable equity financing must provide to Screen Nova Scotia the opportunity to recoup its equity participation in a manner no less favourable than pro rata and pari passu with other financial participants. Upon full repayment of the equity investment, Screen Nova Scotia shall thereafter receive profit participation for a period not less than three years to the end of the last complete calendar year after full repayment.

Note: The Applicant’s choice of the form of financing may affect the amount of federal or provincial tax credits that the Applicant is eligible to receive in connection with the Production. Consequently, the Applicant must determine, in consultation with the Applicant’s professional tax advisors, which form of financing is optimal for the Production.

SCREEN NOVA SCOTIA

The Funding Contribution may be reduced should the final Eligible Nova Scotia Costs be lower than those set out in the Application to CCF; however, it will not be increased should the final Eligible Nova Scotia Costs increase after application.

Failure to comply with the terms and conditions of the Guidelines or any misrepresentation of information in connection with an application, as determined by Screen Nova Scotia, may result in the application being deemed ineligible, and repayment of any advanced funds (with interest) may be demanded. This may also affect the eligibility of future applications to the CCF or any other program run by Screen Nova Scotia, at its discretion.

If at any time, an Applicant, as required by the Guidelines or as requested by the CCF, provides false information or omits material information in connection with an application, the Applicant may be subject to loss of eligibility of the current Production or future Productions, repayment of funds already advanced (with interest) and/or criminal prosecution (in the case of fraud). These measures may be imposed on both the Applicant and affiliated companies and individuals (as determined by the CCF at its sole discretion). The CCF's legally binding agreement includes further provisions concerning misrepresentations, defaults, and related matters.

We encourage applicants to send feedback on any concerns or questions regarding their applications to the CCF for consideration. The administration of the CCF and final eligibility decisions shall be made solely by the Executive Director. SNS shall be entitled to consult with

professional advisors, in confidence, in respect of all such decisions. In all matters related to the application of, or exception to, these Guidelines and in the event that the interpretation of these Guidelines or the spirit and intent of the CCF are in question, SNS has complete discretion and final interpretation.
